### **6.1. Arts Sub-committee Update**

Moorli Borlup mural completed during school holidays - looks amazing! Well done Brigid!! Brigid advised there has been really positive feedback from the wider Fremantle community which is great. Still need to organise anti-graffiti product, although it will only be applied over the fish at the moment as Toby will be adding four more fish when he returns from Europe.

Classroom Doors are next project.

Brigid also planning a display of students art work to be held in the Front Office foyer over a 2 week period yet to be determined. This is lieu of the formal Art Exhibition which it was agreed was to become a two yearly event.

Sharon informed everyone of Grille Campaign whereby a school has opportunity to win a \$10K makeover. FPS could use money for either shelter or seating for Outdoor STEM Classroom. Yun Nie Chong currently working on design plan for outdoor classroom. Once this is complete, we will be able to enter. Let's win this!

### **6.2. Grounds Sub-committee Update**

Nothing to report in Brook Yaeger's absence.

#### **Decision**

Carried over to next meeting.

### **6.3. Uniform Shop Sub-committee Update**

Uniform report for the month of July:

Tidyhq sales = \$418 for 25 products.

Cash sales = \$133 for 7 products.

Best selling item = surf shirt.

#### **6.4. Colour Run Fundraiser Update**

New date will be Friday 1 November - although need to double-check whether this is the same date as the Year 6 Disco.

Prizes still a problem. Easiest solution would be to run Colour Run ourselves and purchase powder only but some committee members disagree.

Suggestion made not to give the students option to choose gifts for themselves and to have students select their prize as a "prize for the school" and not for them personally. If we do this, can we limit the prize pool to sports equipment and / or STEM prizes?

Suggestion made not to have "Leader Board" on our Colour Run promotional page. Alternatively, we could run an internal competition whereby faction that raises most money gets 150 faction points, second place gets 100 faction points and 3rd place gets 50 faction points.

#### **6.5. Cook Book Fundraiser**

Sharon provided more detail on proposed event.

Motion put forward to proceed with Cook Book fundraiser.

Put call out for all students to supply a recipes that their family loves. If they can supply a photo too (either of kids cooking or the food) that'd be great (by 15 September?)

Depending on how many recipes we get, the committee may need to veto the recipes.

Brigid suggested checking what resolution is required for photos.

##### **Decision**

Motion carried.

##### **Tasks**

### 6.6. Year 6 Disco Fundraiser

Quote supplied by Melissa Johnson for Freo Social - \$350 for venue plus \$3.50 per ticket sold and no percentage of bar.

Committee feels Freo Social is being less than generous.

Brigid suggested putting event out to tender and see what other venues will offer.

Brigid happy to help as she has lots of contacts.

Sharon suggested offering the Year 6 parents the Faction Carnival Cake Stall as that was a good fundraiser last year.

Still waiting on total and per child cost for camp from Melissa.

#### Tasks

✓ Liaise with Melissa regarding disco tenders  
Assignee: Brigid Marciano  
Due date: 23-08-2019

### 6.7. Quiz Night Fundraiser

Not sure if this event will be held this year as Term's 3 and 4 are already quite busy.

Sharon to contact Freo Social seeking interest in forming mutually beneficial, long-term relationship moving forward.

Brigid suggested holding this event earlier in the year in future. This would be a great way for parents (new and old) to get to know one another quickly.

Brigid suggested placing a hamper in each classroom for the kids / parents to fill with goodies. These hampers could be raffled off at the Quiz Night to increase fundraising dollars. Could also "theme" each classrooms hamper to assist with filling ideas e.g. Pamper Hamper, Cheese & Wine Hamper, Book Worm Hamper, etc.

Prize for best dressed table with each table choosing its own theme.

If this event is done well it has potential to raise a lot more money from a single event.
