3. CONFIRMATION OF MINUTES FROM PREVIOUS MEETING

Motion put to the meeting that the minutes of Fremantle Primary School P&C Association General Meeting held on 3 July 2019 be confirmed as a true and accurate record.

Decision

Motion carried.

4. BUSINESS ARISING FROM PREVIOUS MINUTES

4.1. Grants / Sponsorship Update

Not discussed in detail Amanda Rowe's absence.

Although....Sharon informed everyone that FPS made \$100 dollars for participating in the Grill'd Local Matters campaign.

Not impressed at all.

Grill'd would have made a lot of money from the FPS community attending and eating at their Fremantle store and the money earned was definitely not worth the effort put in by our community.

This is a total scam and really only serves to earn Grill'd significantly more income for a minimal outlay (1st place = \$300, 2nd place = \$200 and 3rd place = \$100).

If the conditions had been made clear from the start, there is no way we would have participated in this program.

It is strongly recommended not to participate in this program again.

Decision

Carried over to next meeting.

4.2. Bag Hook Update

Not discussed in Chris Morlidge's absence.

Decision

Remove from agenda due to constant inaction.

4.3. Interschool Sports Jersey Update

Sharon pointed out that majority of teaching staff are not keen on / do not see benefit of interschool sports jerseys because they have no involvement in physical education but....does this mean that they should not be purchased?

Motion put forward to proceed with purchasing interschool sports jerseys.

Brigid suggested talking to company that does Leavers shirts for us.

Decision

Motion carried.

Tasks

- ✓ Obtain more quotes for interschool jerseys

Decision

Motion carried.

4.5. Uniform Shop Volunteer Replacements Update

Requests for volunteers put out on SkoolBag and Newsletter - no response at all.

Possible options to garner more interest:

Open shop less often.

Open call out to extended family members.

If still no takers:

Close shop and move to online ordering with selection of sizes at front desk for students to try on.

Suggestion also made to retain second hand rack (at front office?) for purchases via minimum gold coin donation.

6. GENERAL BUSINESS

6.1. National Walk to School Safely Day (17 May)

Very successful event with \$1,400 raised!

Ice cream cones and slices were big winners.

Popcorn machine worked really well.

Look at alternative options (paella, food trucks, etc.) next time as was stressful for Helena.

Need more separation between entry and food tables next time.

Brigid queried whether or not we need to have two Movie Nights this year - especially when the first one was so successful. She also suggested asking Caporn Young if they would be happy to donate the money for the second Movie Night to another "whole school" community event (like the disco)?

Decision

Tasks

Online fundraising links for each child.

10% fee to Colour Run company; 60% to FPS; 30% to prizes for kids (STEM prizes).

Reiteration of suggestion to ask Caporn Young if they would be happy to donate the money for the second Movie Night to the School Disco.

7. NEW BUSINESS

7.1. Skateboard WA Clinic (Joe)

Joe Hohen (FPS student) put forward the idea of a skateboarding clinic being held at the school and possible involvement by the P&C.

To be run by Ben from 1991 Skateshop.

Only skateboards - no scooters, blades, etc.

Different levels - learners start on grass.

Decision needs to be made as to whether the clinics would be held as an after school activity or included as part of the school's physical education program.
